2. Kila Walser (GV PEM): **“Fact-Based Labeling: I took on the FBL project in Q3 from another PEM. From then, Yousif provided consistent assistance and was able to act with a high level of independence. He co-led two training sessions with me and he helped me identify mistakes and areas for improvement in my questionnaire.**

**Quality: I collaborated on quality with Yousif from mid-Q2 to present. I have been impressed with his understanding of GV policies. I value his opinion and I was happy with the level of support he was able to provide during BCP 2.0.”** August, 2021

### *(2 of 9) Peer Bonus:*

1. Emily Vella (GV Trainer): **“Yousif has always gone above and beyond to gather everyone’s data for Perf and give us valuable feedback before Perf season begins! He patiently teaches us how to use the dashboard, double checks our metrics, and tells us how to best increase our score on a consistent basis. He has many of us to keep track of but always stays on top of things and attends to each of us individually on a detailed and in depth basis when going through errors for each cycle. Overall, Yousif has been an amazing asset to the team and we couldn’t have finished Perf so quickly & confidently without him!”** March, 2022
2. Sara Anthony (GV Content Moderator): **“Yousif is always going above and beyond to make sure our entire team is on the same page when it comes to policy updates, policy changes, and PEM guidance.
